

Preliminary 2017-2018 Rental Rates - Effective July 1, 2017

Daily rentals are allowed 300 miles per dispatched day, and monthly rentals are allowed 1,100 miles per calendar month before excess mile charges apply. Daily miles are cumulative, monthly miles are for travel within the calendar month.

Failure to submit monthly rental end of month miles and days use will result in a \$10 administrative fee, and could result in excess mileage charges the following month.

Failure to refuel daily rental vehicles when returning vehicles to the Keyosk will result in a \$10 administrative fee, and may result in being charged for the next reservations first tank of fuel.

Rates do not include the cost of fuel. Fuel charged to the vehicles assigned tax exempt Voyager credit card are billed to the reservations cost object.

Reservation Cancellation

In order to avoid minimum rental charges, during normal business hours, daily rental reservations must be cancelled a minimum of 24 hours prior to scheduled dispatch and monthly rental reservations must be cancelled a minimum 45 days prior to scheduled dispatch.

Failure to pick up vehicles (no-show) scheduled for dispatch Sunday – Thursday, will be billed a minimum one day rental.

Failure to pick up vehicles scheduled for dispatch Friday, Saturday, or during scheduled University closure (holiday closure) will be billed from the scheduled dispatch date/time – scheduled return date/time or the first University business day (whichever is less).

Failure to pick up monthly rental vehicles will result in minimum one month rental charge.

Rental Billing Commencement

All rentals begin at requested time of pick up or actual time of pick up, whichever is earlier.

Monthly rentals picked up or returned during the month are billed at the daily rate, not to exceed the monthly rate, and daily rental charges (not including excess mileage rates) will not exceed the monthly rate.

All rental charges continue until the vehicle, vehicle keys and Voyager credit card are returned to Transportation Services.

Note: Special options, accessories or usage may increase the daily or monthly cost.
